To the Chief of Police Selection Committee,  
JIC Commissioners and Sheri Resnick

I am writing to recommend Captain Jim Matthews for the position of Chief of Police.

I have had the privilege of knowing Captain Matthews for over eleven years and believe that he possesses the characteristics that are necessary to be our new Police Chief. Jim Matthews is a man of strong morals and honesty, an empathetic person who is thoughtful of others.

Captain Matthews has served the Jupiter Inlet Colony for eleven years, demonstrating good judgment and always dedicated to this community and its residents. Jim Matthews is an articulate and intelligent person with excellent communication skills, a leader who knows this town well and understands its needs and concerns better than anyone.

More than any other person, Captain Matthews brings a spirit of community and has been the face of the police force in JIC.

Considering his many qualifications and his integrity, in my opinion he is the ideal candidate and I strongly urge the selection committee, the commissioners and Sheri Resnick to seriously consider Jim Matthews candidacy for this position.

It is my hope that the selection committee, and the commissioners will represent the residents of the Jupiter Inlet Colony.

Sincerely,  
John Mellusi
